

FIGURE SKATING IN HARLEM

PRESS KIT

who we are

Figure Skating in Harlem helps girls transform their lives and grow in confidence, leadership and academic achievement.

We are the only organization in the world for girls of color that combines the power of education with access to the artistic discipline of figure skating to build champions in life.

our programs

I Can Excel (ICE) - Our premiere after-school program improves student academics, encourages active lifestyles through figure skating and fitness classes, and strengthens leadership skills

HARLEM ICE - Our synchronized skating teams were the first and now one of the only all POC-synchronized skating teams in the country. These dedicated skaters compete across the eastern seaboard.

Winter Dreams - In partnership with the iconic Wollman Rink in Central Park, girls from all over NYC can participate in our 12 week learn-to-skate curriculum

Summer Dreams - Our popular summer program runs in July and August. Students enjoy daily enrichment classes and cultural trips followed up on-ice instruction

our vision

To empower every young girl with the skills and foundation to achieve her dreams. She will be a powerful speaker, an effective leader, live a healthy and financially independent lifestyle, and be a global citizen.

praise

"To see these amazing girls, become amazing women, and do wonderful things for all of us, is incredible."

- Michael "Coach K" Krzyzewski, Head Men's Basketball Coach at Duke University

"Figure Skating in Harlem is a quintessential New York organization. It's about achievement, excellence and community." - Vera Wang, Fashion Designer

"It's exciting to see the young girls, many of whom are getting out on the ice for the first time. Whether you are learning to skate or learning a new move, you fall and have to pick yourself up. You learn to appreciate your own ability." - Meryl Davis, Olympic Champion

Programs like this are needed in every city in the United States. It's amazing how many young people just need that opportunity, and we need to support it in every possible way.

- Scott Hamilton, Skating Icon & Humanitarian

"You put wings on their feet, which become wings on their hearts and wings on their minds - you make it happen" - Gloria Steinem, Activist, Feminist Icon
